Tenaya Lodge at Yosemite Expanding Conference Facilities

Resort will debut newly expanded 15,000-square-foot conference facility in the Summer of 2010

BUFFALO, N.Y. (October 14, 2009) – Tenaya Lodge at Yosemite National Park plans to open an enhanced comprehensive conference facility in the Summer of 2010.

The expanded conference setting will include six new meeting rooms and 15,000 square feet of indoor meeting space, including a 10,000-square-foot ballroom. Pre-function space will increase to 4,500 square feet for exhibits and receptions. All of this is in addition to Tenaya Lodge's several dining, outdoor and special-event facilities.

Unique to this new conference center will be the Signature Grand Terrace, which offers breathtaking vistas of Yosemite National Park and is perfect for outdoor receptions and dining. Groups will also be able to enjoy the 3,000-square-foot outdoor pavilion that can be left open or enclosed. The space is ideal for outdoor dining, special events and teambuilding activities.

“This new conference center will take advantage of our incredible natural landscape and also offer guests a state-of-the-art meeting experience,” said Tom McCann, general manager. “There’s no doubt that this expansion project makes Tenaya Lodge an ideal place to host groups of all sizes for corporate meetings, social gatherings and special events.”

Tenaya Lodge's tenured sales and conferences team also helps to ensure that meetings and events surpass guests' expectations. This group can assist with everything from developing themes to handling regional transportation needs and meeting all technology requirements. Tenaya Lodge's culinary staff caters all meetings at the facility and can help design sustainable menus that highlight local produce.

Tenaya Lodge is also working to enhance its spa and wellness offerings as it opens its new 10,000-square-foot Ascent Spa in conjunction with the new conference facility. Ascent Spa will feature 12 treatments rooms for massages, manicures, pedicures, yoga

and wet-body treatments. The entire spa will feature award-winning and environmentally friendly Eminence Organic Spa products.

Guests will also be able to exercise in a new fitness facility that includes free weights, Nautilus machines and cardio equipment. A wall of waterfalls will welcome guests to Ascent Spa and help them relax the moment they enter.

These expansion efforts come on the heels of Tenaya Lodge's acquisition of the Apple Tree Inn earlier this year. That acquisition bolstered the resort's accommodations. On the culinary side, Tenaya Lodge has opened two new restaurants in 2009: the upscale Embers Restaurant and casual-dining Timberloft Pizzeria.

"These expansion projects -- Ascent Spa, our new conference space and the acquisition of Apple Tree Inn -- make Tenaya Lodge one of California's premier resorts," said McCann.

About Tenaya Lodge

Tenaya Lodge is nestled in the Sierra National Forest, just 2 miles from the south entrance of Yosemite National Park.
